### Gazi

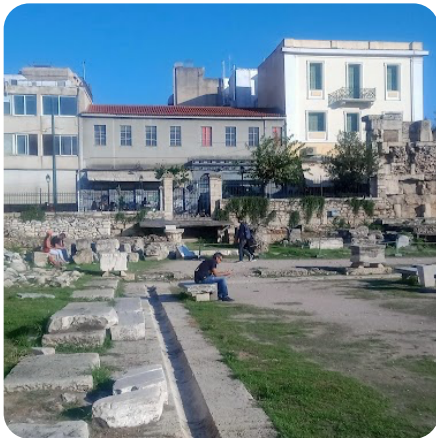

70 locals recommend

One of the most vibrant, trendy, and interesting neighborhoods in all of Greece. Gazi (meaning Gas in Greek) is where the old Gasworks of Athens were located. The area has now become the heart of Athens nightlife, festivals and exhibits. Gazi is a perfect "home base" for those looking to be surrounded by excitement, culture, and have the blue-metro line for easy access to all the top locations in Athens.
